## **KBUG REMOTE SYNCING INSTRUCTIONS**

1. While pressing the Orange Stop Button, connect the machine to power.
2. Release the Orange Stop Button.
3. While pressing the Stop Button on the REMOTE, turn the Remote ON and hold the Stop Button for 3-5 seconds.
4. Release the Stop Button on the REMOTE. The machine should reset and return to normal operating conditions.
5. Press the Start Button on the REMOTE to confirm it was set.
6. If the machine Does Not Start, Repeat steps 1-5.
